

PRODUCT CHANGE NOTIFICATION

Title Circuit optimization

Article: **Products Affected:** Cardinal CPPD, CPPFX, CPPL, CPPM, CPPDX, CPPX, CPPFXX, CPPLX, All package configurations.

Type of Change: Removal of internal bypass capacitor inside the package.

Reason for Change : Improve the lead time and manufacturing of the product of the product.

Effect from change: None, Product data sheets show an external bypass capacitor is required.

Issue Date: 4-23-2021

Last Purchase Date of Devices with Internal Bypass: 10-31-2021

There may be limited supplies available.

Last Shipment Date: 12-31-2021 or until inventory is depleted.

Date Created 4-23-2021
