## CERTIFICATE OF COMPLIANCE

### RoHS Declaration

#### RoHS 2 (Directive 2011/65/EU)

October 15, 2013

Refer to Cardinal part numbers and component descriptions (See Series listing below):  
All components are RoHS compliant and meet the requirements of the current RoHS 2  
(Directive 2011/65/EU)..

The RoHS Directive 2011/65/EU restricts the use of certain substances. Cardinal  
Components declares that the products or components identified below (Series) with  
all its containing parts and components contain less than the RoHS limits for the  
six restricted substances and is in conformity with the Directive 2011/65/EU on the  
restriction of the use of certain hazardous substances.

This declaration is based on analysis, vendor supplied analysis or material certifications,  
supplier declarations in any means, and/or lab test results of the component raw  
materials used in the manufacturing process of Restricted substances referred to in  
Series below in the RoHS Directive 2011/65/EU and maximum concentration  
values tolerated by weight in homogeneous materials are:
