

End of Life Notice

Date: 03/15/2024

To: All Customers

EOL No: 2024001

Effective Date: 2016/01/01

Due Date for Last Buy Order: 2016/01/01

Type of Change Notification: End of life

Description of Change:

Phase out CPPx5P (5x3.2mm plastic SMD) and CPPx7P (7x5mm plastic SMD)

Reason for Change

Our company decided to discontinue production of these products under policy considerations.

Customer Impact and Recommended action:

- 1) Recommended replacements are the CPPx5([cpp_5_rev.d.pdf \(cardinalxtal.com\)](#)) and CPPx7 ([cpp_7_rev.d.pdf \(cardinalxtal.com\)](#)), these are drop-in compatible to the CPPx5P and CPPx7P.
- 2) For 3.3V parts, consider changing to the CPPY for improved performance.
